- **Hirsch-Hirsch: Don't look backwards. Let's update Wagner Act regarding "voice" and other labor regulations.**
- **Voos: Let's update Wagner regarding managers and professionals.**
- **Freeman: If the feds won't do it, maybe the states can. All we have to do is persuade the feds to let them.**

Questions about the Hirsch-Hirsch and Voos papers

- **Are current practices really sharply different from past hierarchical arrangements?**
- **Surveys show vague demand for voice *but at what cost*? (Voice in exchange for 10% pay cut?)**
- **Can you cite one congressional candidate running on the voice platform?**
